PROFESSIONAL SUMMARY

Reliable and versatile Navy veteran and Computer Science student seeking an entry-level position in a dynamic environment.

SKILLS

- Programming Languages (Java, C, Swift, Matlab, Python)
- Full Stack Development (HTML, CSS, JavaScript, Node, React, MongoDB)
- iOS Application Development
- Modeling Software (SolidWorks, AutoCAD, Ansys Fluent, NI LabView)
- Process Optimization
- Leadership
- Data Management
- Spanish Fluency
- Adaptability

EDUCATION

University of Central Florida - Orlando, FL

Expected in 12/2021

Bachelor of Science: Mechanical Engineering

- Minored in Intelligent Robotic Systems and Computer Science.
- Elected Secretary, SALUTE National Veterans Honor Society.
- Completed coursework in Python, Java, Swift, C, Matlab, and HTML programming languages, while maintaining a 3.0 GPA.
- Completed research in iOS app development with integrated robotic systems.

American Military University - West Virginia

03/2018

Associate of Science: Criminal Justice

- Demonstrated excellent time management skills by maintaining a 4.0 GPA in online coursework while serving on active duty with the US Navy.

WORK HISTORY

Bartender | Island Beach Bar & Grill - Ft. Pierce, FL 08/2021 - Current

- Operated as part of an efficient team in high-volume setting, generating over \$15,000 in revenue on peak days.
- Managed bar inventory, restocked supplies and placed orders for spirits, beer, wines and mixers, tracking all product through POS ordering and receiving.

Administrative Assistant | Veteran Resources - Orlando, FL 01/2019 - 05/2021

- Acted as liaison between UCF students and Veterans Administration Department of Education.
- Ensured over 6000 students received all benefits to which they were entitled through the use of VA Once and PeopleSoft software.
- Developed and updated spreadsheets and databases to track, analyze and report on enrollment and benefits entitlement data.

Robotics Research Intern | GRP WearLab - Orlando, FL 03/2020 - 03/2021

- Developed iOS application for robotic consumer product.
- Designed, modeled, and tested hardware.

Server | Greg's Grill On The Deschutes - Bend, OR 11/2017 - 06/2019

- Worked as part of a team to create an enjoyable experience for all guests while utilizing efficient cash handling to ensure accurate cash drawer counts every shift.

Petty Officer Second Class | US Navy - Everett, WA 01/2014 - 09/2017

- Consistently ranked in top tier of peers by supervisors and tested in the 90th+ percentile, achieving E5 in 18 months; this rank is typically achieved after 6-8 years.
- Designed and implemented hands-on technical training program, resulting in a 95% pass rate and promotion for junior sailors in the division.
- Mentored and supervised 24 personnel within the division, providing positive guidance for both career sailors and those transitioning to the civilian workforce.
- Streamlined process for tracking stores and expenditures within Navy-specific software, correcting a \$10,000 deficit and keeping the food services division on budget thereafter.
- Oversaw regularly scheduled testing and maintenance of 3000+ pieces of machinery and equipment as the Workcenter Supervisor.

AFFILIATIONS

- Secretary and Female Veterans Coordinator, Veteran Knights
